ALCOVA NURSERIES

TERMS AND CONDITIONS OF SALE

DURING THE PAST SEASON WE SHIPPED OUR LINING OUT STOCK TO ALL PARTS OF THE UNITED STATES AND HAVE RECEIVED MANY COMPLIMENTS UPON THE QUALITY OF OUR PLANTS AND THE CAREFUL METHODS BY WHICH THEY WERE PACKED AND HANDLED.

TERMS:

Cash must accompany order unless a satisfactory credit rating has been established with us. If cash accompanies order a 5% cash discount is allowed. We make no charges for packing, boxes, etc.

C. O. D. orders will only be shipped when one-third of amount of order is remitted in advance and the balance goes forward Freight or Express C. O. D., payable at destination. C. O. D. orders are subject to 5% cash discount.

RESERVE ORDERS:

A deposit of one-third the amount of order should accompany orders for future shipment.

LIABILITY:

We disclaim liability for filling orders should any injury befall the stock from frost, drought, or other cause beyond our control.

GUARANTEE:

We guarantee all stock to be in good condition when it leaves our nursery but assume no responsibility for damage done in transit or after stock has reached consignee. Should there be any cause for complaint we must be notified upon receipt of goods, otherwise we cannot entertain it.

INSPECTION AND FUMIGATION:

Certificate of inspection will be furnished with every shipment and, when required, stock will be fumigated.

TRANSPORTATION:

Express is the best mode of shipment for lining out stock, although small quantities may be shipped by parcel-post. Unless given instructions, we use our judgment in selecting method of shipment, but in no case will be assume responsibility for safe-delivery of goods.

RATES:

Five plants of same variety and size at 10 rate; 50 plants of same variety and size at 100 rate; 500 plants of same variety and size at 1000 rate. Where less than 50 plants of a kind in lining size is ordered the price will be 20% over the rate.

TO THE TRADE:

We take pleasure in presenting to you our new trade list. In it we offer a select assortment of lining out and planting size stock. Besides the best of standard varieties, we offer some rare and unusual subjects.

If we do not list just the varieties you want in this list, write and ask us about it. We grow numerous varieties in quantities insufficient for general listing. Your inquiries will have our prompt attention.

You are cordially invited to visit our nursery, and we believe an inspection of our stocks will prove profitable to you.

Cordially yours,

Alcova Nurseries

R. E. YANCEY, Manager

ALCOVA LINING OUT STOCK

We can make shipment of lining out stock at any time to suit your convenience. Please advise us method of shipping, etc., else we will use our judgment.

Abelia grandiflora.

	Per 100	Per 1000
2¼ inch pots -----	\$6.00	\$50.00

Berberis sargentiana (B. *atrocarpa*).

This attractive evergreen barberry is among the best of the species for the South. It is much branched and an upright grower, from five to eight feet tall, with thick dark evergreen leaves, yellow flowers and black fruits.

2¼-inch pots -----	12.00	100.00
3 -inch pots -----	17.50	150.00
4 -inch pots -----	35.00	325.00

Chamaecyparis sq. veitchi.

2¼-inch pots -----	8.00	75.00
--------------------	------	-------

We can only supply the above for Spring, 1929, delivery.

Cotoneaster horizontalis.

Low spreading shrub with bright red fruit. 2¼-inch pots -----	12.00	100.00
---	-------	--------

Cotoneaster divaricata.

Upright shrub to six feet. Very handsome when studded with its bright red fruit, which is produced in amazing profusion. 2¼-inch pots	12.00	100 00
---	-------	--------

Cotoneaster franchetti.

A spreading, fast growing variety with upright arching branches, medium sized leaves, dark green on top, silvery beneath. Many orange-red berries are scattered over the plants during Winter. 2¼-inch pots -----	12.00	100.00
---	-------	--------

Cotoneaster pannosa.

Probably the best and most desirable of the Cotoneasters for the South. The foliage is a soft gray-green, and the under sides of the leaves have a silvery color. White flowers in Spring are followed by great masses of dull silvery red berries, which persist all Winter. A fast grower of a pleasing and graceful habit. 2¼-inch pots -----	12.00	100.00
--	-------	--------

WHOLESALE PRICE-LIST
